

Line up the TRS grid center lines with the red T18N and R2W

Find the 1, 6, 31, 36 in the four corners.

Using the numbers on the TRS grid, what is the TRS of the City of Warden? Answer: T17NR30E and mainly Section 15

If you have to locate a place in the middle of the map, slide the transparency to line up with the neighboring 1, 6, 31, 36 above, below or on the side and then look to the side and top of the map to read the Township and Range numbers.
